*Effective Rates

We quote the unit rate inclusive of your savings for information purposes only. The unit rate displayed on your bill will be the standard unit rate before savings. You will see your savings total as a separate line item on the bill.

If you are selecting a smart price plan for the first time, your meter will be reconfigured so that your supplier will receive a minimum of three meter reads (day/night/peak). This change cannot be reversed. The frequency of these reads will depend on the smart price plan that you have selected and/or any consent you may have given.

^Day/Night/Peak Rate Hours

Day Hours: 08:00 – 23:00 (excluding Peak)

Night Hours: 23:00 – 08:00

Peak Hours: 17:00 – 19:00

Product Terms and Conditions

- This contract has a 12-month contract term from date of sign up.
- You must hold an electricity account for the full 12-month contract term.
- You must remain an Electric Ireland customer on this product for a minimum of 12 months ("fixed term"). If you are already an Electric Ireland customer, in some cases, the fixed term will be calculated from the start date of your previous price plan.
- This product is only available to customer who have already had a smart electricity meter installed in their home by ESB Networks and have selected a smart electricity price plan.
- We will only collect data necessary for billing you according to your billing cycle and your price plan.
- All the data that is collected from you will be handled in line with our Privacy Policy. For more information, please see www.electricireland.ie/privacy
- If you are moving from another product, this change may only become valid in the next billing cycle.
- Payment by Direct Debit and receipt of bills electronically (Online Billing) are mandatory to avail of this price plan.
- If you cease to pay by Direct Debit or receive your bills electronically, Electric Ireland have the right to remove your discount.
- If you cease to take electricity from Electric Ireland before the end of fixed term, we will apply a €50 (incl. VAT) exit fee to your electricity account.
- After the end of your fixed term, the exit fee clause will cease to apply to your contract and you will be moved to our Home Electric price plan.
- Electricity standard unit rates and standing charges may be subject to change. This will not affect your price plan savings percentage.
- These price plan Terms and Conditions are in addition to the Electric Ireland General Terms and Conditions for Residential Customers.
- Electric Ireland reserves the right to vary and/or cancel this offer at any time for valid commercial, technical, operational and/or regulatory reasons.
